Phone: _____ Email: _____

Required Documentation

Land Clearing:	A site plan indicating the location of any floodways, wetlands and wetland buffers, easements, all existing structures, and other impervious surfaces. Site plan must also indicate all varieties of vegetation, debris or other land covering that is to be cleared.
Protected Tree Removal:	If any protected trees are to be removed as part of this permit, their location, species, diameter, crown spread, and condition must be indicated on the site plan. Trees to be preserved, removed, dead trees and trees to be planted must also be identified. See Section 6.08.09 of the Land Development Code for Protected Tree list and Tree Replant List.
