Many factors determine which applicant will be matched with a particular pet. If you are not able to adopt a pet today, it does not mean that you are not considered a good pet owner or that your home is not acceptable. Our goal is to place all animals into homes that will best suit their individual needs. Please ask for clarification if you have any questions. There is a \$75 adoption fee for canines and a \$50 adoption fee for felines. All fees must be paid in full at the time of adoption.
